

**SIMON MAZORODZE SCHOOL OF MEDICAL
AND HEALTH SCIENCES**

**BACHELOR OF SCIENCE GENERAL DEGREE IN
BIOMEDICAL SCIENCES**

LEVEL 1 SEMESTER 1

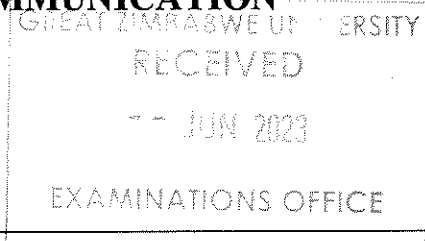

EXAMINATION QUESTION PAPER

MODULE CODE: LAICC101

**MODULE NARRATION: LANGUAGE ACQUISITION AND INTER-
CULTURAL COMMUNICATION**

DATE: 2023

DURATION: 3 HOURS

INSTRUCTIONS TO CANDIDATES:

- 1. Answer any THREE questions**
- 2 All questions carry equal marks**

1. Examine the differences between the behaviourist theory of language acquisition and Chomsky's Universal Grammar Hypothesis.
2. 'Inter-cultural communication can never be perfect.' Do you agree?
3. 'Without language, a medical practitioner would not be functional.' React to this assertion.
4. In what ways are language and culture inseparable?
5. Discuss the view that bilingualism is an asset in the medical profession.
