STUDIES**

LEVEL 2 SEMESTER 1

EXAMINATION QUESTION PAPER

MODULE CODE	LGSH 211
MODULE NARRATION	DISASTER MANAGEMENT
DATE	2025
DURATION	3 HOURS

INSTRUCTIONS TO CANDIDATES:

- 1. ANSWER ANY THREE QUESTIONS.**
- 2. EACH QUESTION CARRIES 25 MARKS**

1. Formulate a hazard identification process for a mining community in Zimbabwe, explaining how it accounts for both natural and human-induced risks.
2. Design an emergency preparedness plan for a university campus facing a potential cholera outbreak, addressing logistical and communication challenges.
3. Analyze how political instability might disrupt the organizational structure of a governmental disaster management agency.
4. Formulate a community education campaign to increase awareness of lesser-known hazards, such as soil erosion, and justify its potential impact on resilience.
5. Analyze the role of indigenous knowledge in enhancing mitigation efforts, using a specific hazard as a case study.
