

**JULIUS NYERERE SCHOOL OF SOCIAL SCIENCES**

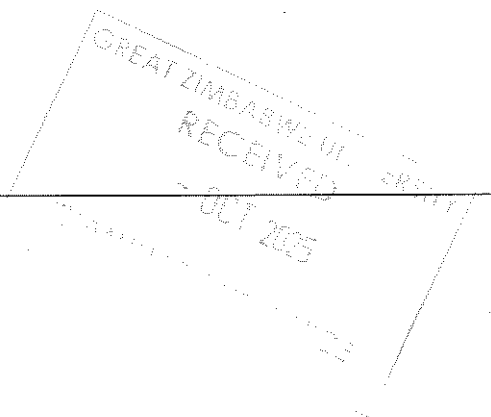

**DEPARTMENT OF PSYCHOLOGY**

**BACHELOR OF SCIENCE HONOURS DEGREE IN PSYCHOLOGY**

**LEVEL 4 SEMESTER 1**

**EXAMINATION QUESTION PAPER**

**MODULE CODE** : PSYH414  
**MODULE NARRATION** : CONTEMPORARY-CRITICAL PSYCHOLOGY  
**DATE** : 2025  
**DURATION** : 3 HOURS

**INSTRUCTION TO CANDIDATES:**

**1. Answer any three questions.**

**Each question carries 100 marks.**

1. Discuss the challenges and opportunities faced by psychologists practicing in Zimbabwe, considering the implications of the revised DSM-5-TR and the country's registration requirements.
2. Compare and contrast African and Western approaches to mental health and illness, highlighting the influence of cultural perspectives on psychological practice and patient care.
3. Analyze the impact of drug misuse on marital relationships and discuss how psychological interventions can address these challenges. Provide examples of evidence-based interventions.
4. Outline the step-by-step process for registering as a psychologist in Zimbabwe, discussing the legal, professional, and ethical requirements.
5. Examine the role of critical psychology in addressing social issues, such as power imbalances, inequality, and social injustice.
