DEVELOPMENT**

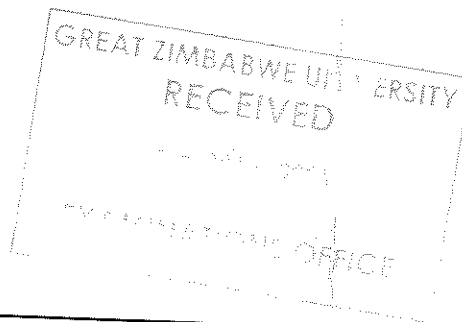

EXAMINATION QUESTION PAPER

MODULE CODE	RUPH411
MODULE NARRATION	PROFESSIONAL PLANNING PRACTICE
DATE	2024
DURATION	2 HOURS

INSTRUCTIONS TO CANDIDATES:

Answer any three questions

Each question carries 20 marks.

1. Discuss the concept of 'cultural competence' in urban planning and explain how planners can develop and apply this competence in their work.
2. What are the key principles and values that guide the planning profession and how do they impact planning practice?
3. Discuss the key challenges facing the planning profession and explain how the planners can address them.
4. What is the primary purpose of the Zimbabwe Institute of Regional and Urban Planners code of ethics and professional conduct?
5. Evaluate how planners balance the need for public participation with the need for efficient decision-making and timely project implementation.
