MODULE CODE CTM 514

MODULE NARRATION CURRICULUM MANAGEMENT

DATE 2024

TIME THREE HOURS

INSTRUCTIONS

- Answer **TWO** questions only.
- All questions carry equal marks.

1. Assess the view that curriculum management and curriculum change are two sides of the same coin.
2. Examine how any **two (2)** of the following factors can contribute to successful management of curriculum change and innovation in the schools.
 - i) instructional leadership;
 - ii) management of change; and
 - iii) building networks
3. 'Curriculum management is primarily concerned with the improvement of the teaching and learning environment.' Discuss
4. Assess the suitability of top-down strategies in the management of curriculum reforms in your country.
